

## Dr. Justin K. Liddle, DMD, CDT

Dr. Justin K. Liddle, DMD, CDT, obtained his Doctorate in Dental Medicine from Case Western Reserve University in 2007, followed by three years of study and hands-on training at the Louisiana State University Health Science Center where he became a specialist in prosthodontics. In addition to that, he is a Certified Dental Technician. He has been recognized by the 5280 magazine TopDentists every year since 2011 and Top 3% best dentists in the country by Noticed network of professionals.

Prosthodontists regularly lead teams of general dentists, specialists and other health professionals to develop solutions for the benefit of your dental needs. Dr. Liddle has vast experience delivering exceptional dental restorations following each patient's specific needs and goals including: complete and partial dentures, crowns, bridges, veneers, full oral rehabilitations and implants.

With a staff that is trained and welcoming, in addition to a full working dental laboratory on site, our practice goes the extra mile to accomplish your unique treatment, making sure your all your concerns will be heard and your issues are properly diagnosed. For a lot of those who seek care in our office, it can be a life changing investment and it is our mission to assure you will be comfortable at every step.

Dr. Liddle envisions a bright future ahead. Moving forward, he plans to continue expanding his expertise in prosthodontics while maintaining excellent care for his patients. When not at the office, Dr. Liddle is a devoted runner who enjoys being out in nature and spending time with his wife and four daughters.
