

College Ave Modern Dental

At College Ave Modern Dental, our goal is to be the best dental office in Fort Collins. We just opened earlier this year at the corner of Horsetooth Rd. and College Ave., and our brand-new office is outfitted with the latest technology to provide our patients with the highest standard of comfort and care. Dr. Jeff Wilkin has over 30 years of experience in dentistry, and his team of dental experts work together to make sure patients leave happy and healthy!

Here are just a few of the ways we strive to make dental care as convenient and affordable for our patients as possible:

- We accept most major dental insurance and have in-house discount and payment plans available
- We offer convenient evening and weekend appointment times, as well as seeing same-day emergency appointments
- No more hassle with outside referrals – we offer specialty services on-site such as endodontics for those tricky root canals
- We offer great specials on cleaning, exams, and whitening for new patients

3617 S. College Ave., Unit B, Fort Collins
